Dergel nacar

Pearlescent hand gel.

DESCRIPTION

Pleasant-smelling, non-irritating gel, perfect for hand washing in any type of public establishment. Its mild formula allows frequent use, without drying out or damaging the skin of the hands, even if used several times a day. In addition, its pearly white appearance and mild fragrance make it very pleasant to touch and smell.

It is very easy to use. It is used neat, with a dispenser, which makes it very practical and convenient to use. Simply apply a small amount of the product on your hands, rub for a few seconds and rinse with lukewarm water. This way, you will get clean and fresh hands, without the need to use aggressive products that damage the skin.

As for the technical data of this product, it is presented in a pearly white liquid form, with its components, it offers maximum quality and effectiveness in hand cleaning.

It is available in 10 kg and 4x5 kg packages, which makes it very practical and easy to store in any establishment. In addition, thanks to its mild and effective formula, it is the perfect product to keep your hands and your customers' hands hygienic at all times.
