Eco Soft

Softener developed specifically for use in self-service laundries.

DESCRIPTION

Eco Soft is a fabric softener developed specifically for use in self-service laundries in combination with Eco Wash detergent. Its unique formula helps prevent the build-up of static electricity in the laundry, making ironing easier and leaving a pleasant fragrance on the clothes. In addition, Eco Soft is an environmentally friendly product certified with the EU Ecolabel ES-CAT/039/002, which means it meets the most demanding environmental standards and is safe for use on all types of fabrics.
By using Eco Soft in combination with Eco Wash, you obtain a deep and effective clean of the laundry, removing stains and odours and leaving clothes clean and fresh. The scent of Eco Soft is fresh and natural and leaves no residue on clothes. It also helps reduce the impact on the environment.
Eco Soft comes in a practical 10 kg Bag-in-Box format, making it ideal for self-service laundries and helping to reduce environmental impact by reducing the use of plastics. In addition, as a concentrated product, it allows more efficient use, which helps reduce resource consumption.

DOSAGE AND USE INSTRUCTIONS

It is dosed automatically according to the indications of the Technical Service. A correct dosage and temperature allow to minimize the consumption of water and energy as well as to reduce water pollution.

TECHNICAL DATA
