InstaBact® DS

Netejador bactericida, fungicida, levuricida i viricida

DESCRIPTION

A ready-to-use liquid disinfectant cleaner that offers an effective and convenient solution for maintaining optimum hygiene in any environment. This versatile product nets and disinfects in a single operation, making it ideal for use in places where a high level of hygiene is required by both the general public and professional staff.

One of the main advantages is its ability to disinfect a wide range of surfaces and equipment, making it a reliable choice for use in the food industry and in environmental settings. It complies with UNE-EN 13697 and UNE-EN 14476 standards, which demonstrates its efficacy against viruses such as Rotavirus and other encapsulated viruses.

The dosage and method of application are simple and flexible. The pure product can be applied by dusting, dipping or washing with a cloth. It is recommended to leave for at least 5 minutes and then use a scouring pad, cloth or paper to remove any remaining dirt or contamination. If necessary, the operation can be repeated. It can also be diluted in water at 5-10% for cleaning less compromised or contaminated surfaces, such as floors and tiles, during daily maintenance.

It comes in convenient packaging to suit different needs, such as 12x1 litre, 4x5 litre and 10 litre, allowing convenient and efficient use in a variety of environments.

DOSAGE AND USE INSTRUCTIONS

Apply the product pure by spraying, dipping or washing with a cloth. Let it work for at least 5 min. and wipe with a scouring pad, cloth or paper to remove any remaining dirt or contamination. If necessary, repeat the operation. It can also be used diluted in 5-10% water, applying it with a mop, scourer or cloth, for cleaning less compromised or contaminated surfaces such as floors, tiles, etc. during daily maintenance.

TECHNICAL DATA

Appearance Transparent colorless liquid.

pH 9.0 +/- 1.0

Density (20°C) 0.99 +/- 0.02 g/ml

MAIN COMPONENTS

Contains isopropyl alcohol 10,30%, didecyldimethylammonium chloride 1,00%, excipients qs 100.00%

PRESENTATION

12x1 l, 4x5 l, 10 l.

USE OR HANDLING PRECAUTIONS

WARNING

DO NOT SWALLOW

H319 Causes serious eye irritation.

H315 Causes skin irritation.

P102 Keep out of reach of children.

P264a Wash the hands thoroughly after handling.
