Power Soft

Concentrated softener for self-service laundries.

DESCRIPTION

A concentrated softener specially formulated for use in self-service laundries. This product offers exceptional softness that makes ironing easier, leaving an intense feel and scent on the laundry, even after the most extreme tumble drying. With a high concentration of perfume, it imparts a fresh, long-lasting scent to both the laundry and the washed garments.

Your self-service laundry customers will enjoy soft, intensely scented clothes for a superior laundry experience. This softener can be used in the final rinse, ensuring that the laundry is perfectly conditioned and ready for use.

The dosage ranges from 5 to 10 grams per kilogram of dry linen, allowing the amount to be adjusted according to the specific needs of each wash load. It is easy to apply and can be added during the rinse cycle for best results.

It is liquid in appearance and green in colour, giving it an attractive appearance. With a pH of 2.5 +/- 0.5, this softener has been carefully formulated to give optimum performance without compromising the quality of the laundry.

Available in 20 kg packs, which provides a generous amount for continuous use in self-service laundries. This product has been designed with the convenience and satisfaction of your customers in mind, offering exceptional softness and a captivating scent with every load of laundry.

DOSAGE AND USE INSTRUCTIONS

Dosage ranges from 5 to 10 g per kg of dry clothes. It is used in the last rinse.
