# Rosegold

Concentrated enzymatic detergent for self-service laundries.

## DESCRIPTION

Rosegold is a high-quality concentrated enzymatic product specially designed for self-service laundries. Its concentrated formula with enzymes makes it highly effective in short washes at low temperatures, offering impressive results under these conditions. When combined with the fabric softener Pink Soft, it creates a synergy that guarantees a long-lasting fragrance after washing. This enzymatic product has been developed to ensure deep and effective cleaning of any type of garment. Rosegold is able to remove difficult stains and sweat, leaving laundry clean and fresh. It is the perfect solution for professional laundries looking for a high-quality enzymatic product for their customers. Experience the difference!

## DOSAGE AND USE INSTRUCTIONS

Dosage ranges from 5 to 10 g per kg of dry clothes, depending on the degree of dirt. Washing temperature of 40ºC is recommended.
